ROYAL MANCHESTER CHILDREN'S HOSPITAL—  
THE GODFREY ERMEN MEMORIAL DISPENSARY,  
GARTSIDE STREET, MANCHESTER.

# The Royal Manchester Children's Hospital.

The Hospital was founded in 1829, in Ridgefield, Manchester. In 1852, a small Hospital was established in North Parade. Owing to want of room, and the desirability of having a special Ward for Infectious Diseases, the Hospital was removed to Bridge Street, in 1858.

The Old Dispensary was built in 1868.

In order to enable the patients to have the benefit of better air, the land at Pendlebury, on which the present building stands, was purchased at a cost of £450 per acre, and the Hospital was opened in 1873.

By means of a Bazaar held at the Free Trade Hall (which raised £24,000) and other generous gifts, the Hospital was completed and formally opened on 30th January, 1878.

Appealing in 1904 for the purpose of erecting a new Dispensary at a cost of £20,000, the Residuary Legatees of the late GODFREY ERMEN provided the Board with £12,000 to complete the amount required, and the new "GODFREY ERMEN MEMORIAL DISPENSARY" was opened on 7th March, 1907. The Residuary Legatees gave a further £5,000 to provide a new Massage Department, which was opened in 1922.

The CONVALESCENT HOME at Lytham St. Annes was presented to the Hospital in 1897 by Sir WILLIAM AGNEW, Bart.

In 1919, £10,000 was received from the late Mr. JESSE HAWORTH.

In 1920 a grant of £20,000 was made by the Committee of the National Relief Fund.

In 1923 the name of the Hospital was altered to the Royal Manchester Children's Hospital by gracious command of His Majesty the King.

In 1924 a New Nurses' Home was opened on 8th December, by the Earl of Derby, K.G., P.C.

In 1927 £5,000 was received from the late Charles E. Craston.

In 1927-8 £18,000 was received from the late Mrs. Hannah Heynssen and the late Miss Rosina Lipman.

In 1930 £6,556 was received from the late Joseph Hugh Monk.

In 1930 The Westwood Estate, approximately five acres, was purchased for the sum of £7,500.

PLAN OF THE NEW CONVALESCENT HOME FOR CHILDREN  
now being built adjoining the Hospital at Pendlebury

(Architects: Messrs. J. W. Beaumont & Sons, Manchester)

THE LATE ZACHARY MERTON.

# 106th Annual Report

FOR THE YEAR ENDED 31st DECEMBER, 1934.

---

Our last Report was in a more optimistic strain than many that have been written during the past ten years, and events have proved that our optimism has been justified.

The world is still full of troubles, but throughout the country, from every direction, comes the welcome news of improving prospects and returning trade. Men face the future with renewed hope and courage, even in Lancashire which has not as yet shared the full measure of the recent movement towards prosperity.

This being the case, the Governors of the Royal Manchester Children's Hospital feel that there is at last justification for the **long delayed celebration of their 100 years as a Hospital, and this is our Centenary Number**, six years overdue.

Last year our Report hinted at a possible piece of good fortune, and the Board are glad to inform their many patrons, friends, and supporters, that their hopes and expectations have been fully and abundantly realized.

By the munificence of the Trustees of the late Zachary Merton, a business man with interests in Manchester, an up-to-date and fully equipped Convalescent Home for 40 patients and necessary Staff, is to be built on the site of "Westwood," formerly the residence of the late Sir Lees Knowles, Bt., at a cost of over £20,000. Building is even now well advanced and the Foundation Stone is to be laid by the Lord Mayor of Manchester (Alderman Samuel Woollam) on March 13th, 1935.

We ask our many friends to realize what this means to us. It is true that we already possess a Seaside Home at Lytham-St.-Annes where straightforward cases may be sent, but there has always been great need of a Convalescent Home close at hand where the Physicians and Surgeons who have had the care and cure of difficult cases may still keep such cases under close supervision, and make sure that the good work done in Hospital may not be undone by too early discharge or by faulty and even negligent aftercare in their homes.

A further advantage is that we are now enabled to deal more effectively with that ever present bogey of all Hospitals—the **WAITING LIST**.

But as with Cinderella's Coach and Horses there is a condition to the gift, and the condition is that **no part of the grant shall be applied to maintenance**, so that it becomes our duty to provide funds to maintain this Convalescent Home.

Many of our readers will already have seen our Centenary Appeal for £100,000, needed to assist us not only in maintaining

the ZACHARY MERTON HOME, but in providing the additional and ensuing services which include increased ACCOMMODATION FOR NURSES as well as the catching up with Arrears and enabling us to keep up-to-date.

**A Hospital must keep up-to-date—it must keep pace with the march of Science or its labour is in vain.** For 16 years this Hospital has made no special or public appeal for funds, but nevertheless even in a time of great depression **THE WORK HAS BEEN CARRIED ON AND WILL STILL CONTINUE—THERE CAN BE NO MOVING BACKWARDS.**

It has been well and truly said that the pride of this country is the excellent service rendered by the Voluntary Hospitals—the great institutions for healing, which are maintained without thought or hope of reward by the benevolence and service of the private citizen.

In the great work of goodwill towards men, **a Hospital for Children MUST ALWAYS TAKE PRIDE OF PLACE.** It is the plainest kind of common sense to look after the men and women of tomorrow, who will inherit from us our advantages and responsibilities, and it must always be in the minds of us all that these Children who did not ask to be born into this world, if they are entitled to nothing else, are surely entitled to sound bodies and minds to enable them to face the responsibilities and to consolidate such advantages as have been won by the toil and sturdy strength of our forefathers.

If you have not already seen our appeal please ask for a copy from Mr. A. E. Smith, Appeals Organiser, KING'S HOUSE, KING STREET WEST, MANCHESTER, 3 (BLACKfriars 6581). If you have seen it please do not delay. **NO GIFT IS TOO SMALL—THERE CAN BE NONE TOO LARGE.** Many have already given according to their means. The large sums are welcome, but the small ones are equally needed. You may not be able to afford a large sum, but can you manage a sum equivalent to what would be saved by levying a small daily, or weekly, or even monthly fine on yourself spread out over the next three years.

**If every citizen of Manchester would give to us the result of one small act of self denial each week for twelve months, we should have the money needed.**

This Hospital exists solely for Children—not for the children of a favoured class, colour, or religion, but for all children. Primarily it serves Manchester and the people of Lancashire, but its fame is world wide, its service is by no means local, and its doors will never be shut to any child to whom it can render a service.

**WHAT MORE NEED BE SAID ON THIS SUBJECT.**

It is now our duty to record some of the events of the past year. Still further important improvements have been made in

the Nurses' Dietary, special attention being paid to the providing of suitable and palatable meals for those nurses who have been prevented by duty from having their meals at the specified times. Fruit is also supplied twice a day to all members of the Nursing Staff.

A determined attempt is being made by the Dispensary Committee to grapple with the difficult situation which has always confronted us at our Out-patients' Department, in the almost inevitable congestion and waiting.

It will be seen that the problem is a difficult one, but considerable improvement has been made. The system in force at the Jewish Hospital, to whom grateful acknowledgements are made, was closely examined, but the conditions there are not quite the same. Our Hospital is practically a Consulting Hospital for Children, no recommendations are demanded, and new patients come from a wide area without previous appointment as may be seen by reference to page 34.

A start was made by making appointments for a fixed number of patients at 9 a.m. and hourly up to 12 noon. Later these numbers were halved and made for every half hour, and recently these numbers have again been halved and a certain number of patients are requested to attend every quarter of an hour. As approximately the total number of patients examined is the same as hitherto and the work is still finished in the same time, it is obvious that the waiting must be much reduced now that patients' attendances are spread out to 12-30 instead of all of them coming before 10 o'clock. Nevertheless the waiting is still considerable as the following figures will show. Tests were made fortnightly on twenty-five occasions during the year, four Mondays, four Tuesdays, five Wednesdays, four Thursdays, five Fridays, and three Saturdays.

The patients' appointment slips were stamped with a time recorder and an analysis of these slips for the twenty-five days show that patients who attended between

9-0 a.m.	and	9-30 a.m.	waited on an average	0hr. 52 mins.
9-30	„	10-0	„	1 „ 8 „
10-0	„	10-30	„	1 „ 23 „
10-30	„	11-0	„	1 „ 15 „
11-0	„	11-30	„	1 „ 11 „
11-30	„	12-0	„	1 „ 2 „
12-0	„	12-30 p.m.	„	1 „ 6 „

The total attendances average roughly 100,000 per annum and patients are often detained in more than one department—Massage, Electrical, Sunlight, Pathological, X-Ray, Orthopaedic, and Students sometimes attend—the waiting periods above referred to exclude cases for operative treatment of tonsils and adenoids, which are detained till the afternoon and taken home in the Hospital Ambulance, and the times include waiting for medicine and booking the next appointment.

The question of an Isolation Block has become one of our most urgent problems, and it is hoped that it may shortly be possible to build a new Block as a result of our Appeal. The one in use at present is for 10 patients and is built of timber. It was built nearly 25 years ago and was then approved for 15 years only, and is now scarcely habitable.

Of necessity we have sometimes sent back to poor and already crowded homes, children suffering from Measles or Chicken Pox. We have also been obliged to transfer to the Public Authority Fever Hospitals cases that ought to have received specialized attention in our own Isolation Block if we had the accommodation. These transfers have only been made after consulting the Medical Officers of Health who have invariably given all assistance within their power.

The Authorities of the Birmingham Children's Hospital kindly permitted us to inspect their Isolation Block, and a building on similar lines built of brick would cost approximately £4,500.

The Board congratulate the following nurses on their excellent achievements :—

Gold Medal	....	....	Nurse B. G. Haslam.
Silver Medal	....	....	Nurse S. Rhodes.
Bronze Medal	....	....	Nurse K. Almond.

It is with regret and sympathy that the Board have heard of the serious illness of their colleague Mrs. Orr, and they wish her a speedy and permanent recovery.

During the past year the following gentlemen have joined the Board of Governors :—Mr. Godfrey W. Talbot, also Mr. T. Foulkes, the representative of the Hospital Saturday Fund.

We have to report the resignation from the Honorary Staff, following a serious operation, of Mr. Gilbert Bertram Warburton, M.B., Ch.M., F.R.C.S. He was a member of the Honorary Surgical Staff from March 1st, 1920. On receipt of his resignation the Governors placed on record their appreciation of his very valuable services, and we are now glad to hear of his rapid progress towards recovery.

Mr. D. M. Sutherland, M.D., F.R.C.S., resigned his appointment of Honorary Assistant Surgeon to take up a similar post at the Manchester Royal Infirmary. The Governors while thanking him for his valuable services to this Hospital, offer their sincere congratulations on his election to this important appointment.

Following these resignations, Mr. D. S. Poole Wilson, B.A., M.B., M.S., F.R.C.S., and Mr. F. H. Scotson, M.B., Ch.B., F.R.C.S. have been elected to fill the vacant positions. The Board take this opportunity of welcoming these gentlemen as members of the

Honorary Staff and hope that their connection with the Hospital may be a long and happy one.

As a trial measure for a period of twelve months a Medical Registrar has been appointed.

During the past year Mr. A. H. Cooper, the Hospital Engineer who was appointed in the year 1922, was forced to retire through serious ill-health and has since died. He was a most valuable member of the Staff devoted to the interests of the Hospital, and our respectful sympathy is offered to his wife. Mr. T. M. Nisbet has since joined the Staff as Engineer.

Once again it is our grateful duty to express to all members of our Ladies' Auxiliary Fund our appreciation of their devoted labour, as a result of which the sum of £2,561 19s. 11d. has been added to the Hospital Funds. If there are localities not as yet represented on the Ladies' Auxiliary Fund, but willing to assist in this work, all information can be obtained from the Offices of the Ladies' Council, 28, Kennedy Street, Manchester.

Grateful thanks for their valuable services during the past year are due to our Honorary Solicitors, Messrs. Lingards, Sutton, Elliott & Co., to our Honorary Auditors, Messrs. Halliday, Pearson & Co., and to all members of the Honorary and Salaried Staffs, whose continued devotion to the best interests of the Hospital is so greatly appreciated.

TO THE BOARD OF GOVERNORS OF THE ROYAL MANCHESTER  
CHILDREN'S HOSPITAL.

---

MY LORD, LADIES AND GENTLEMEN,

The past year has been one in which all the services of the hospital have been fully used.

Several changes in the Surgical Staff have taken place. Mr. G. B. Warburton and Mr. D. M. Sutherland have resigned. Mr. D. S. Poole Wilson and Mr. F. H. Scotson have been appointed to the vacancies thus created. The Medical Board wish to record their thanks to Mr. H. T. Simmons who acted as deputy surgeon during Mr. Warburton's absence on sick leave.

The Clinic for Speech Training under the care of Mr. William Hodgkins assisted by Mr. Webster, continues to be of great assistance.

The "appointments" system for Out-patients is proving its value, and waiting at Gartside Street has been very greatly diminished.

The Medical Board wish to thank Dr. Annie Somerford, the Pathologist, Dr. H. M. Morris, the Assistant Radiologist, their Junior Medical Colleagues, the Matron and Nursing Staff, the Sister at Gartside Street, the Staff of the Massage and Electrical Department, and the Dispenser and his Assistants for help willingly given at all times.

---

ASHTON-UNDER-LYNE, *January, 10th, 1934.*

I wish to convey to you and your Board of Governors on behalf of my wife and myself our very sincere thanks. I personally, shall never fail to extol, praise and thank God that there are such places. Please give to the Staff who was in attendance at the time my very sincere thanks.

We are very grateful for the care and patience you have shown. We wish to thank the Governing Board, Doctors, Nurses and all concerned.

MANCHESTER, 9, *April, 1934.*

I had intended to send a contribution to the Hospital as an acknowledgement of the splendid service rendered to my daughter, but was waiting until after the final consultation. However, it is better to get it done at once and I enclose ———. I wish it were more. If I could have sent more I would have done so. I am deeply grateful to the hospital staff for their kindness and to Mr. — for his special services. With sincere gratitude and all good wishes for your work.

SALFORD, *April 6th, 1934.*

I wish to express my gratitude to the Sister and Nurses of Holden Ward for their kind efforts and attention.

WIGAN, *April 15th, 1934.*

At this stage, let me say how much Mrs. — and myself appreciate the kindness and courtesy displayed by your staffs both at Gartside Street and Pendlebury. My wife, having Hospital experience, was very much impressed by the kindly and cheery manner in which the children are received at Pendlebury, and although our own child was only for a minor operation, it is a great relief to know what a pleasant welcome our child received on her reception.

SALE, *April 19th, 1934.*

I wish to express my appreciation for all that you have done.

URMSTON, *April 20th*, 1934.

May we also place on record our very warm appreciation of the care taken of, and kindness shown to —, by all members of the staff of the Hospital, for which we are very grateful.

BOLTON, *April 27th*, 1934.

Please give all at the hospital our very best thanks for the care they took of our baby. Thanking you all once again.

ALDERLEY EDGE, *April 29th*, 1934.

I wish to thank you and all at the Hospital for your kindness. Will you please accept our thanks and appreciation, particularly to the Doctor and Staff of Victoria Ward.

SALFORD, *May 4th*, 1934.

Enclosed please find P.O. for Ten Shillings (10/-) in grateful appreciation for all you have done for my child.

FAILSWORTH, *May 15th*, 1934.

I will be pleased to contribute and will forward in due course. I would like also to take the opportunity of adding my thanks to your hospital and staff for past and present services and if at any time I am in a position to help the good work I will most certainly do so.

MANCHESTER, *May 15th*, 1934.

— returned from St. Annes last Wednesday and appears to be greatly improved in health. All the members of the staff including myself are subscribers to the Contributory Scheme. I of course sent a voucher but I feel I would like to make some payment. Everyone was most kind.

Your letter to hand suggesting payment. Enclosed is — which I am only too willing to contribute, covering his 12 days' stay. We are both very grateful indeed.

HYDE, *May 24th*, 1934.

We wish to thank the Staff of your hospital for the kindness they showed.

FAILSWORTH, *May 28th*, 1934.

I am in receipt of your statement for treatment to my daughter for 3s. 6d., but instead of that amount I am enclosing £1 1s. 0d., and wish to thank you for the splendid treatment my daughter received.

FALLOWFIELD, *June 8th*, 1934.

My wife and I thank you very much. We greatly appreciate the care and attention given.

PRESTWICH, *June 18th, 1934.*

I take this opportunity of expressing my appreciation and thanks to Mr. — the R.S.O., and Staff for their kindness and attention.

ASHTON-UNDER-LYNE, *July 13th, 1934.*

We enclose P.O. valued 2s. 6d. May we at the same time extend to you and the Hospital our grateful thanks. During the time our daughter has been under your care, the patience, treatment and skill you have bestowed upon her has been of the highest possible class, and our thanks now offered to you in return is in the same category.

HYDE, *August 15th, 1934.*

To the Doctors and Staff of Victoria Ward I would extend to them my thanks for the many kindnesses and attention shewn to my daughter. Should I at any time be able to help along the good work of the Hospital, I shall do so with the greatest of pleasure.

LONGSIGHT, *November 7th, 1934.*

We are deeply grateful to all those concerned for the benefit our son has derived, and for the kindness he has received. Especially we wish to thank Sister — for her courtesy and kindness at all times. It softens the wrench of parting when one knows that one's child has been left in the care of one who loves children as she does.

STOCKPORT, *November 7th, 1934.*

My wife and myself thank you and would like to take this opportunity of expressing our appreciation and gratitude at the efforts put forth on behalf of our baby by the staff of the ward concerned and also by Dr. — and the staff at the Gartside Street Dispensary.

We assure you that the courtesy and kindness shown us during this sad time by your staff has helped to lighten our burden.

No Address. *November 22nd, 1934.*

Enclosed you will find the sum of 6s. 6d. with thanks and appreciation for the way our child has been cared for.

STALYBRIDGE, *December 9th*, 1934.

My wife and myself tender our most grateful thanks for your kindness to our daughter, Agnes, whilst she was under your splendid institution's treatment. I will close thanking you again.

SALFORD, 7, *December 19th*, 1934.

I should just like to say how very grateful we are for the way in which we and Helen have been treated by the Staff—especially in regard to enquiries about our child by yourself and the sister.

1935.

---

The year 1935, the year of their Majesties' Silver Jubilee, will be celebrated with rejoicing and thanksgiving wherever the British Flag is flown, a special feature of the celebrations being the recognition, in a way and on a scale never before attempted, of the needs of the rising generation.

We wish success to this high and noble endeavour and would point out that in no way can the aim be realised better than by your continued support of

### **THE ROYAL MANCHESTER CHILDREN'S HOSPITAL.**

For 106 years this Hospital has been devoted to the care and welfare of children and it is perhaps a fortunate chance that has caused us to delay the celebration of our CENTENARY until this year of Jubilee.

The event has already been celebrated for us in a remarkable way by the gift of the

### **ZACHARY MERTON CONVALESCENT HOME**

which is being built for us at a  
cost of £20,000.

£100,000 is now needed not merely to maintain this Home, but to carry out greatly needed and long overdue additions and improvements.

Our Appeals Organiser is Mr. A. E. SMITH, and his Offices are at KING'S HOUSE, KING STREET WEST, MANCHESTER. Telephone BLAckfriars 6581.
